

Introducing the Star Fund!

Camp Rosenbaum is opening savings accounts for our 2018 campers! These accounts are only for children who attended Camp Rosenbaum last July through Home Forward.

What is the Star Fund?

The Star Fund is a special savings account for campers that they can use after they graduate high school. Camp Rosenbaum will set aside money for your camper, and we'll add to the account every year when your camper finishes a grade of school. After graduating high school, we'll send the money to the college, vocational school or training program your child chooses, to help them get a start on their future!

The Star Fund is <u>free</u> to families. The only thing your family needs to do is send us a report card, once a year, to show that the camper has finished another grade of school. Camp Rosenbaum will get the account started with \$100 this year after we receive your enrollment forms. Families won't be able to add money to the account, or remove money from the account before the camper graduates high school.
