The Camp Rosenbaum Fund is a community-building nonprofit whose mission is to provide life enhancing opportunities for low-income young people through mentoring, camp and athletic programs. Our programs are designed to instill good citizenship, hope, and a sense that anything is possible with education, hard work and good choices.

For 48 years, **Camp Rosenbaum** has offered a unique experience to low-income children from Oregon and SW Washington. For one week every summer, boys and girls, ages 9-11, make the trip to the Oregon coast where they ride horses, race pinewood derby cars, make new friends and meet powerful role models. Camp Rosenbaum is free to the families who send their children, and focuses on good citizenship skills and the hope and support for a bright future.

Perhaps most unique about Camp Rosenbaum, all of our staff are volunteers, comprised of an extraordinary partnership between the Oregon National Guard, Portland Police Bureau and Home Forward. Additional volunteers join us from other housing authorities, law enforcement agencies and fire bureaus, rounding out a staff of amazing inspiration for our campers.

We also partner with the Portland Police Bureau to host the annual **Rosenbaum Portland Youth Camp**. The day camp runs for one week in June, for boys and girls, ages 8-14, who live in the Portland metro area. Campers participate in one activity for the week, and each activity includes a coach from the Portland Police Bureau, Gresham Police Department, and other organizations, giving kids a chance to get to know the officers who keep their community safe.
