Children, Youth, and Family Programs

SUMMER NATURE PROGRAM

Full-day nature camps for children ages 5-12

Our summer nature program is called “Nature Day Camp”. Children spend full days exploring in small groups with trained nature educators. Our staff are caring, active, curious about nature, and welcoming. Each day, campers join organized activities where they learn about nature and spend open-ended time hiking, playing games, and exploring as a group. The program has been adapted to comply with all CDC, state, and local COVID-19 guidelines.

PLAY, EXPLORE, AND CONNECT TO NATURE THIS SUMMER!

EXPLORE A LOCAL PARK

Get to know a local park in a new and fun way.

PLAY GAMES, CREATE ART, DO CRAFTS

Connect to nature in your own way.

MAKE NEW FRIENDS

Build friendships with other children and staff.

LEARN ABOUT NATURE

Be curious and do hands-on activities.

CALL OR EMAIL OUR OFFICE TO GET SIGN-UP INFORMATION

Our nature program is working with community organizations, culturally-specific groups, and local families to provide access to nature for all. Organizations can partner with us or we can work with families directly to answer questions and get children signed up.

Camp dates, times, and locations listed on the back.
Visit our website for information on COVID-19 changes -
