About Camp Rosenbaum Fund

The Camp Rosenbaum Fund is an Oregon-based 501(c)3 nonprofit organization focused on providing camp and athletic programs to low-income children in our community. Founded by Fred Rosenbaum in 1970, we now serve nearly 1,000 children annually through our programs and partnerships.

Our Programs

Our foundational program is [Camp Rosenbaum](#), an overnight summer camp on the Oregon coast for boys and girls, ages 9-11. Children join us for a week to ride horses, race pinewood derby cars, make new friends and meet powerful role models. All of our campers live in low-income housing, and Camp Rosenbaum is free to the families who send their children. Our camp focuses on good citizenship skills and the hope and support for a bright future.

Perhaps most unique about Camp Rosenbaum, all of our staff our volunteers comprised of an extraordinary partnership between the Oregon National Guard, Portland Police Bureau and Home Forward. Additional volunteers join us from other housing authorities, law enforcement agencies and fire bureaus, rounding out a staff of amazing inspiration for our campers.

In 2013 we began a partnership with the Portland Police Bureau to host the annual [Rosenbaum PPB Youth Camp](#). This affordable day camp serves up to 400 youth from the Portland metro area and offers kids the choice of 16 activities for the week. Each activity includes a coach from the Portland Police Bureau, giving kids a chance to get to know the officers who keep their community safe.

In 2016, we launched the [Star Fund](#): an education savings program for our campers. Camp Rosenbaum sets aside money for participating campers and adds to the account every year when the camper finishes a grade in school. After high school graduation, we'll send the money to the college or program of their choice, to help them get a start on their future.

About Operation Lemonade: Camp Rosenbaum in a Bag

After making the difficult decision to cancel our 2020 camp due to COVID-19, Camp Rosenbaum wanted to find a way to still serve low-income children in our community and keep General Rosenbaum's dream alive. With that in mind, we were excited to announce Operation Lemonade: Camp Rosenbaum in a Bag!

What is Camp Rosenbaum in a Bag?

Camp Rosenbaum in a Bag is just that: a backpack filled with camp activities for home. The backpack includes an activity schedule and fun things to bring a bit of Camp to the kids. Backpacks include foam footballs, books, journals, arts & crafts activities, science experiments and more. They also include a basic personal care kit and educational activities from our partnering first responder agencies.

Backpacks will be delivered in July to children, ages 9-12, who live in low-income housing in Oregon and SW Washington. We have been diligently fundraising online and have funded 85% of our project but we need your help to reach our goal of funding 1,000 backpacks at \$40 each. Sponsoring this year's golf tournament will help us reach that goal!

Camp Rosenbaum began in 1970 with a dream: take a group of youth from low-income families and spend a week with them at Oregon's beautiful coast, teaching them the value of good citizenship and encouraging their self-confidence. With our partners – Oregon National Guard, Portland Police Bureau and Home Forward – we provide kids with positive role models, healthy relationships with public safety figures and maybe most importantly, fun! Please help us reach our goal of 1,000 bags for low-income children in our community and make your **tax-deductible donation** today.
